REPORT OF THE BOARD OF SELECTMEN

The year 1971 showed a marked increase in building. Sixty one permits were issued during the year, being an increase of twenty four permits. Many of these pertained to business thus requiring a hearing by the Board of Appeals.

The Board attended various meetings throughout the year. Meetings were held in Burlington and Framingham pertaining to Cherry Sheet reimbursement from the State. Mendon lost \$17,000 in reimbursements causing an approximate \$1.50 per thousand tax increase. These meetings resulted in a bill being submitted to the Legislature, hopefully to prevent a reoccurrence of this in the future.

Highway improvements included completion of the Millville Street project. A position on the Highway Department was filled through the Emergency Employment Act. This act provides one hundred percent reimbursement from the Federal Government for salaries and benefits for two years.

The Board of Selectmen was very pleased with the decision of the Town to purchase the land adjoining the Town Beach property. We feel this land will be very valuable to the youth of Mendon as a recreation area in the future.

A new communication system has been set up combining the Police and Fire Departments. The Board wishes to thank Police Chief Kelsie E. Townsend and Fire Chief Linwood E. Lowell for their cooperation in making this possible. We believe this service will provide the Town with an efficient answering service at a minimal cost for some time.

The Board attended various public functions during the year, one of the most impressive being the Annual Boy Scout awards night. We congratulate Mike Cousineau for obtaining the rank of Eagle Scout. We wish to thank all those people who give so much of their time in the various organizations devoted to the youth of Mendon.

The Board wishes to thank the various departments in our town for their splendid cooperation.

Respectfully submitted,
John S. Hogarth, Chairman
Ernest S. Thomas
George W. Phipps

BOARD OF SELECTMEN

REPORT OF THE TOWN CLERK 1971

The first nine months has been educational and an awareness that the job of recording the Town's affairs correctly is a continual and enjoyable learning process. My heartfelt appreciation goes to the many people that have helped me to understand and be able to do the job better. I particularly wish to thank Bette Martini, Town Accountant, and Helen Gibson, Assistant Town Clerk.

In 1971, four by-laws have been added to the Town By-Laws.

1. Section 1 of the Zoning By-Laws amended.
2. Section 7, Chapter 3, all fees of Town Officers reported.
3. Section 6, Chapter 11 pertains to the storing of unregistered vehicles.
4. Section 7, Chapter 11 pertains to dog control.

The following are facts of interest:

1. Fees received by Town Clerk's office, April through December, \$704.50
2. Monies turned over to the Town Treasurer for Dogs Licenses, \$1,399.70
3. Monies turned in to the Division of Fish and Game, \$1,109.50
4. Births — 28
Marriages — 44 (Listed separately on following pages)
Deaths — 23

I have served the within warrant by posting an attested copy and have otherwise complied with all the requirements of law.

Kelsie E. Townsend
CONSTABLE OF MENDON

October 29, 1971

Pursuant to the foregoing Warrant ninety-seven inhabitants of the Town of Mendon qualified to vote in Town affairs, in addition to Edgar Cram, Officer on duty for the Meeting; time 7:32 P.M. Tellers, J. Peter Martini, Jr., William Scott, Jr., the Moderator, Town Clerk, Selectmen and Finance Committee met at the Nipmuc Regional High School Auditorium on October 29, 1971. The Town Counsel, Louis Noferi, was given permission to attend the meeting. The Warrant, minus the articles, was read by the Town Clerk. The following articles were then voted on.

Article 1. Voted that the sum of \$2,700.25 be appropriated from available funds for additional insurance on Town Buildings. Unanimous vote.

Article 2. Voted that the sum of \$347.72 be transferred from Medical Assistance Federal Grant account and the sum of \$106.28 be transferred from the Town Reports Account to the Fire Department Expense account to meet the cost of insurance on fire apparatus. Unanimous vote.

Article 3. Voted that the sum of \$19,000.00 be appropriated from available funds in the treasury for the purchase of land abutting the present town beach parking lot. More specifically described as follows: "Being all and the same premises as were described in Deed of Hulda Westlund, widow, to Frances D. O'Brien on July 22, 1964 and recorded in Worcester Registry of Deeds, Book 4489, Page 255, being the land

in Mendon, Worcester County, Massachusetts, situated on the north-westerly side of Millville Road, being more particularly bounded and described as follows: to wit; Beginning at the southeasterly corner of the granted premises at a point in the northwesterly 1932 location line of said Millville Road and at land now or formerly of one Koehne, formerly of one Cunniff, thence S. $58^{\circ}51'55''$ W. with said location line 156 feet, more or less to a Worcester County Highway bound; thence southwesterly with said location line being a curve to the left having a radius of 630.00 feet 250 feet, more or less, to a point; thence N. $42^{\circ}50'$ W. by land now or formerly supposed to belong to one Kavehey 20 feet, more or less, to a point on a stone wall; thence continuing the same course 42.3 feet by land now or formerly of said Kavehey to a corner in a stone wall; thence N. $78^{\circ}57'$ W. with a stone wall 132.5 feet to other land now or formerly of said Kavehey; thence N. $26^{\circ}13'$ W. by lots numbered 10, 11, 12, 13, 14, and 15 as shown on Plan of Lakeside Park, Mendon, Massachusetts filed with Worcester District Registry of Deeds, Plan Book 31, Plan 50, 298.3 feet to the southeasterly corner of lot numbered 16, 17 and 18 as shown on said plan, 144.25 feet to the southeasterly corner of lot numbered 19 shown on said plan; thence N. $67^{\circ}05'$ E. by the southerly line of said lot numbered 19 extended easterly 50.0 feet to a stake; thence N. $22^{\circ}55'$ W. 124 feet, more or less, to a drill hole in a stone wall, thence easterly by said stone wall 600 feet, more or less, to the intersection of stone walls, the last three coursed bounding on other land of the grantor; and thence southerly by a stone wall and said Koehne land 402 feet, more or less, to the point of beginning.”

2/3 vote required. Hand vote taken. 60 voted yes, 10 no.

Article 4. I move that the Town of Mendon accept a deed to the land adjoining the present Town Beach Property referred to in Article 3 from Frances D. O'Brien of Milton, Mass.

Voted Unanimously.

Article 5. Defeated by unanimous vote.

Attorney Norris, assistant to the Town's counsel, was admitted to the meeting at this time.

Article 6. I move that the Town amend the existing by-laws of the Town of Mendon by adding Chapter 11, Section 6, a by-law pertaining to storing of unregistered Motor Vehicles which will read as follows:

No person without a permit or license from the Board of Selectmen shall store, keep or allow to remain on his premises more than one unregistered motor vehicle, assembled or disassembled, unless the same is stored or kept in a garage or other building, except a person duly licensed under General Laws, Chapter 140, Section 59, or those designated and used for farming or agriculture or construction purpose. Said Board shall not issue such a permit unless it finds that the presence of such a vehicle or vehicles, as the case may be, on such parcel (1) will not nullify or substantially derogate from the intent and purpose of this By-law, (2) will not constitute a nuisance, and (3) will not adversely affect the neighborhood in which such parcel is located.

Permit Limitations.

Each permit required by the above shall:

1. Specify the maximum number of such vehicles that may be kept, stored or allowed to remain on such parcel.
2. Be limited to a reasonable time.
3. Be a personal privilege of the applicant and not a grant attached to and running with the land.

Voted affirmative voice vote:

Article 7. By a hand vote of 65 yes and 14 no, it was voted that the Town amend the existing by-laws of the Town of Mendon by adding Chapter 11, Section 7, a by-law entitled Dog Control Law which will read as follows:

Dog License — Established; fee amount; spayed dogs.

All dogs shall be licensed, except as otherwise provided in this chapter. The annual fee for every dog license, except as otherwise provided by law, shall be three dollars (\$3.00) for a male dog, and six dollars (\$6.00) for a female dog, unless a certificate of a registered veterinarian who performed the operation that such female has been spayed and has thereby been deprived of the power of propagation has been shown to the Town Clerk, in which case the fee shall be three dollars (\$3.00). A certified copy of such certificate of spaying on file in the

office of any city or town clerk within the Commonwealth may be accepted as evidence that such operation has been performed. If the Town Clerk is satisfied that the certificate of the veterinarian cannot be obtained, he may accept in lieu thereof a statement signed under the penalties of perjury by a veterinarian registered and practicing in the Commonwealth describing the dog and stating that he has examined such dog and that it appears to have been, and in his opinion, has been spayed and thereby deprived of the power of propagation.

Fee not required for leader dogs.

No dog license fee shall be charged for a license for a dog specially trained to lead or serve a blind person, if the division of the blind certifies that such dog is so trained and is actually in the service of a blind person.

Refund of fee.

No dog license fee or part thereof shall be refunded because of the subsequent death, loss, spaying, or removal from the Commonwealth or other disposal of the dog, nor shall any license fee or part thereof paid by mistake be paid or recovered back after it has been paid over to the County under Chapter 140, Section 147, of the General Laws.

Biting, howling dogs.

No person shall own or keep in the town any dog which by biting, excessive barking, howling, or in any other manner disturbs the quiet of the public or becomes a public nuisance.

Any unspayed female dog in season, shall be deemed a public nuisance when not confined indoors by the owner thereof, or housed in a veterinarian hospital or registered clinic.

Disposition of dogs which are a nuisance; complaint; investigation; order restraining, muzzling, disposing of dog.

If any person shall make a complaint in writing to the dog officer that any dog owned or harbored within his jurisdiction is a nuisance by reason of vicious disposition or excessive barking or other disturbance, the dog officer shall investigate such complaint. Such investigation may

include an examination under oath of the complaint. Upon receipt of such report and examination of the complainant under oath, the Selectmen may make such order concerning the restraint, muzzling or disposal of such dog as may be deemed necessary.

The dog officer, after investigation, may issue an interim order that such dog be restrained or muzzled for a period not to exceed fourteen (14) days, to enable Selectmen to issue their order following receipt of the report of the dog officer. If the Selectmen fail to act during the period of the interim order, upon expiration of the period, the interim order automatically is vacated.

Interim restraint or muzzling of dogs generally; causes.

The dog officer may restrain or muzzle, or issue an interim order to restrain or muzzle, for a period not to exceed fourteen (14) days any dog for any of the following reasons:

- a) For having bitten any person.
- b) If found at large or muzzled, as the case may be, while an order for the restraint of such dog is in effect
- c) If found in a school, schoolyard or public recreational area.
- d) For having killed or maimed or otherwise damaged domesticated animals.
- e) For chasing any vehicle upon a public way open to public travel in the Town.
- f) For any violation of this section relating to dogs.

Upon restraining or muzzling, or issuing an interim order to restrain or muzzle, the dog officer shall submit in writing to the Selectmen a report of his action and the reasons therefor. Upon receipt of such report, the Selectmen may make such order concerning the restraint, muzzling or disposal of such dog as may be deemed necessary. If the Selectmen fail to act upon the report during the period the dog is restrained or muzzled, upon expiration of the period the interim order automatically is vacated.

Appeal of order restraining or muzzling.

The owner or keeper of any dog that has been ordered to be restrained or muzzled or has been restrained under this chapter may file a request in writing with the dog officer that the restraining order be vacated, or that the dog be released. After investigation by the dog

officer, such officer may vacate such order or release such dog, if the order or restraint was imposed by him. If the order was imposed by the Selectmen, the dog officer shall submit a written report of his investigation, with his recommendations, to the Selectmen, who may vacate such order.

Penalty for failure to comply with order; appeal of fine.

Any owner or keeper of a dog who shall fail to comply with any order of the dog officer or Selectmen issued pursuant to this chapter shall be punishable by a fine of ten dollars (\$10.00), with a right of appeal to the District Court.

Article 8. Voted that the sum of \$2,227.50 be appropriated from available funds to establish and operate a combined communication system for the Police and Fire Departments.

Article 9. Voted that the unexpended funds voted under Article 17, Annual Town Meeting of 1967, be appropriated for the preliminary plans and estimates for the proposed secondary school.

Article 10. A. Voted that the Town amend its code of By-Laws by adding the following Sections to Chapter 11.

Section 8. To create a Council on Aging and to adopt the following By-Laws in accordance with the provisions of Chapter 40, Section 8B of the Massachusetts General Laws:

Section 8—1. The Board of Selectmen shall appoint a Council on Aging for the purpose of coordinating or carrying out programs designed to meet the problems of the aging in cooperation with programs of the Commission on Aging established under Chapter 6, Section 73 of the General Laws.

Section 8—2. The Board of Selectmen shall appoint a Council on Aging consisting of seven (7) members. Upon acceptance of this by-law, the Board shall appoint three (3) members for three (3) years, two (2) members for two (2) years and two (2) members for one year term. Members can be reappointed for concurrent terms. The members of the Council shall serve without pay.

Section 8—3. Whenever a vacancy shall occur in the membership of the Council, by reason of death, resignation, inability to act or for any other reason, the vacancy shall be filled by appointment by the Selectmen for the remainder of the term.

Section 8—4. The Council on Aging at its first annual meeting and thereafter, annually in April of each year, shall elect from its membership a President, 1st Vice President, 2nd Vice President, Secretary and Treasurer. Each officer shall hold office until the next annual election. In the event a vacancy occurs in any of the offices above, the Council shall hold a special meeting for the purpose of electing one of its members to fill such a vacancy.

Section 8—5. The Council shall prepare and submit an annual report of its activities to the Town and shall send a copy thereof to the Commission on Aging.

Section 8—6. The Council may appoint such clerks and other employees as it may require.

Article 10. B. Voted that the Town appropriate one hundred dollars (\$100.00) for the use of the Council on Aging from the available funds.

Article 11. Voted that the sum of one hundred dollars (\$100.00) be transferred from the Town Clerk's expense account to the Elections and Registrations Expense Account.

Voted that the Warrant be dissolved at 9:18 P.M.

Family problems	9
Truants	1
Doors and windows found open	41
Missing persons	8

Bicycles registered	13
Firearms I.D. cards issued	33
Pistol permits issued	46
Appearances by Mendon officers in:	
District Court	88
Superior Court	14
Juvenile Court	5
Answered fire alarms	15
Messages delivered to citizens	14
Arrests	69
Narcotic arrests	17
House checks	131
Civil disturbance	1

There were seventeen narcotic arrests in 1971, an increase of 13 over 1970.

Officer George Larson successfully completed an advanced fingerprint school, instructed by the F.B.I., and Sgt. Michael J. Magliocca successfully completed a basic narcotics school, held by the Massachusetts State Police in Framingham.

All members of the department are involved in in-service training, and three members of the department are attending Quinsigamond Community College part time.

The Police Department is grateful to the townspeople for granting us our new quarters on the first level of the Town Hall. A one dollar balance remains from the \$3,000 granted for renovations.

The fourth annual children's Christmas Party was held in December, with the children of the Town, and the police officers, having an equally good time.

Remember, you can help prevent crime by reporting to the police "unusual" occurrences in your neighborhood.

The Mendon Police Department acknowledges the cooperation extended by the citizens of Mendon during 1971.

Respectfully submitted,
KELSIE E. TOWNSEND
Chief of Police

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

During the year 1971 the Fire Department answered a total of 85 calls as follows:

Building Fires	6
Television	1
Chimney Fires	1
Smoke Scares	3
Oven Fires	1
False Alarms	1
Electrical	2
Automobile	2
Resuscitators	2
Flooded Cellars	7
Out of Town	5
Grass and Brush	38
Miscellaneous	16

During the year 1971 the No Burning Law went into effect. The cooperation among the Townspeople has been most gratifying. However, there are still a few who persist on burning barrels. It is hoped that by this time next year everyone will comply with the Law.

The Town of Mendon is growing very rapidly and the need for a Rescue-Ambulance Service is something to think about in the very near future.

Respectfully submitted,

LINWOOD E. LOWELL
Fire Chief & Forest Warden

Notices sent out for failing to pay dog tax	85

Dog licenses are due and payable on or before March 31, 1972. Failure to do so, after notified, the delinquent owner of a dog can be summoned into court and fined the sum of \$15.00, according to law.

All dogs, according to law, must be collared and tagged.

Any dogs found without same can be picked up by the Dog Officer as a stray dog and be taken to the pound.

Respectfully submitted,

JAMES S. FERRUCCI
Dog Officer

REPORT OF THE BOARD OF HEALTH

The Board has functioned smoothly even though being confronted with the enormous task of meeting the demands of the State Land Fill Operation. This challenge has been met with the cooperation of all townspeople, for which we, the Board of Health, are truly grateful.

The clinics sponsored by the Board of Health were well attended. However, we anticipate even greater participation in the coming year. All immunization clinics are free to all children of this Town. There is a small charge for the Rabies clinic for dogs.

The year has been a busy one for the Board with an increase in permits and inspections and several complaints requiring time in consultation and solution.

Respectfully submitted,

JOHN E. GIBSON, Chairman

REPORT OF THE TRUSTEES OF THE TAFT PUBLIC LIBRARY

At the organization meeting Richard Ferrucci, representing the Mendon members of the Mendon-Upton Regional School District Committee, was elected chairman of trustees. It was voted to hold quarterly meetings on the first Thursday of January, April, July and October with the option of skipping July and holding two or more meetings in October or November for budget discussions. Because Mr. Ferrucci resigned from the School Committee during the summer his place as trustee was taken by Dwight J. Davenport. John Hogarth, our representative from the Selectmen, was elected chairman.

In June we received four bookcases built for us by students at the Blackstone Valley Regional Vocational Technical High School under the direction of their instructor, Mr. Bartlett, which have helped to relieve our crowded conditions. We are fortunate to be able to have these shelves made at the cost of the materials.

The ivy growing inside the basement walls and windows has been removed and the walls have been pointed up. New locks have been put on both doors. The Civil Defense unit has moved out of the basement and we hope the Little League Baseball equipment will soon find a new home. In December the interior walls and ceiling were painted.

The floor is our next problem as it is almost devoid of protection, having been refinished last in 1956. The trustees would like to install wall to wall carpeting which would protect the floor, cut down the noise, add to the warmth of the interior, and last a long time.

After the floor we have to consider the addition of toilet facilities and painting the outside of the building.

Respectfully submitted,

JOHN S. HOGARTH, Chairman

REPORT OF TAFT PUBLIC LIBRARIAN

The circulation of books and periodicals for the year 1971 (141½ days) was 4,508. This is a decrease of 101 from last year. Circulation by classes was as follows: fiction, 2,100; magazines, 571; juveniles, 946; biography, 150; history, and travel, 197; literature and fine arts, 155; science and useful arts, 227; all others, 167. There were 30 films and 25 records circulated.

During 1971 there were 266 new books added to our library. This included books purchased by the town, Anna Ellis Fund, and Austin Fletcher Fund as well as books donated by Mrs. Ronald Lukert, Mrs. Laverne, Mr. and Mrs. Charles Leonard, Mr. and Mrs. J. G. Sweeney, Mr. and Mrs. Henry Corcoran, Keith Brownly, Mrs. Viola Barnes, Mr. Louis Gomez, Louis Lowell, Mr. Wilbur Phipps, and Beth Lukert. The bookmobile from the Central Massachusetts Regional Library at Worcester continues to come about every six weeks. The large type editions

which are so well received by some of our patrons are now available in the regular sized books and are therefore easier to hold.

Fines received totaled \$23.70. We are still troubled with many, many overdue books.

Our new shelves arrived this year and have all been put to good use. The interior of the library has been painted and the stone wall foundation has been pointed. It seems our next areas of concern should be the floor of the library and the grounds.

Mrs. Vernon Barrows continues to assist us in making a collection of books available at the Sunrise Apartments.

Our thanks and appreciation to the Trustees, Town Officers, our custodian, Mr. Antonio Chiccarelli, and our assistants, Mrs. Ian Denton and Mrs. Carl Wagner.

Respectfully submitted,

(MRS.) LORNA F. RHODES
Librarian

REPORT OF THE PLANNING BOARD

The year 1971 saw an increase of five building applications for the Planning Board. The Board spent considerable time with business applications. The new Zoning By-Laws, which were passed in 1971, helped to strengthen the Town's position concerning new business. Public hearings were held by the Zoning Board of Appeals concerning these business applications which gave the residents a stronger voice in how these respective businesses were to be operated.

An increase of 15 new homes this year is noted. In 1970 there were 12 applications for new homes.

The Board would like to note that a Volkswagen Dealership, which was approved by townspeople, is expected to break ground and build in 1972. This business, which is to be located on Route 140, is expected

to add greatly to the tax structure of the town. On Route 16 the addition of a Miniature Golf Course to the Mendon Driving Range and the addition of a new building to Mendon Trailer Sales are noted. On Providence Street a trucking business owned by Robert Kimball of Hopedale is under construction.

The Board is presently working on a Building Code for the Town. This code, called the BOCA Code, will further strengthen the Town's position.

REPORT OF THE MENDON HOUSING AUTHORITY

A full tenancy was had this year. Any person or persons, 65 years of age or older, interested in occupancy should file their application early.

Income limits for admission to State-aided Housing were revised this year, and each local Housing Authority was allowed to set their own limits for admission and continued occupancy, which was then approved by the Department of Community Affairs. For a single person, the admission limit is now \$3,000.00 per year and continued occupancy is \$3,600.00 per year. For a couple, the admission limit is \$4,000.00 per year and continued occupancy is \$4,600.00 per year. Rents are computed on 25% of tenant's income with utility costs, excluding telephone, paid for by the Authority.

Interest rates for the 8th series notes was 3.32 percentum per annum.

In April, the following officers were elected:

Chairman	David B. Lowell
Vice Chairman	Shelley D. Vincent, III
Treasurer	Edward A. Hummel
Ass't. Treasurer	Beatrice C. Wood
Sec't. & Exec. Director	Emma M. Barrows
Member	Joseph F. Bradley

More exterior painting was done this year and paneling replaced on the front side of "C" building. The barn at the project, which is used for storage, has been repaired.

The Authority wishes to thank the Town Officials, Girl Scouts, Church groups, Taft Public Library and other organizations, who have contributed towards making this past year a successful one.

Respectfully submitted,

EMMA M. BARROWS

Age of Admission to Schools:

To be admitted to Grade 1, a child must be five years old on or before January 1st preceding the opening of school in September. No child will be admitted to Grade 1 for the first time after October 15.

REPORT OF THE SCHOOL CENSUS

The annual census and distribution of school attending children was taken October 1971. This includes all residents of the Town of Mendon and the Town of Upton attending local or other than local schools. This tabulation also includes children attending kindergarten who have not as yet reached five years of age and children attending high school or vocational schools who are beyond the age of sixteen.

Distribution of school attending children, residents of the Town of Mendon and the Town of Upton as of October 1, 1971:

REPORT OF THE MENDON—UPTON REGIONAL SCHOOL DISTRICT COMMITTEE

During 1971 the Committee's attention was largely devoted to the problems of space and finance. The lack of adequate room to house and educate the junior and senior high school children has been with us for eight years. Overlapping and double sessions have been a reality for the last four and one-half years. Reiteration of the reasons would serve no useful purpose, but a reminder that the situation does exist has a place in any school committee report. The lost opportunities for our young people in the many areas touched by the school system is a small and private tragedy to each of the children.

Site acquisition is the major obstacle, and progress is painfully slow with no completion date in sight. To accelerate the program, action parallel to the site acquisition has been initiated. An Advisory Building Committee was established, and a meeting held with the State School Building Assistance Bureau to set up a planning and building schedule for a new high school. Based on this meeting the administration compiled tentative educational specifications and presented these to a joint meeting of the School and Building committees. These two areas, site acquisition and educational requirements, will continue to have the highest priority in 1972.

Finances were the second problem area that required in-depth consideration by the Committee. At a special meeting in February the 1971 budget was reduced in recognition of deteriorating economic conditions in the two towns. New contracts based on bidding and negotiations were carefully reviewed. Attempts were made to hold costs to a minimum without adversely affecting the educational level, already tenuous, due to double sessions. In the fall the 1972 budget was closely examined by the Committee at open meetings attended by Finance Committee members and citizens of the two towns. The resulting budget was then discussed in detail at a Taxpayers' Association meeting in Upton and at the annual Budget Reading on November 15. Both meetings were well attended, reflecting the concern of the citizens of the two towns. A reduction of over \$10,000 was made as a result of suggestions at these meetings. The increase was reduced to 9.5% compared to over 14% in previous less inflationary years.

On the optimistic side, the quality of education appears to be improving over the level experienced in the first years of overlapping and double sessions. The strengthening of the staff in the critical guidance and remedial areas has helped, but perhaps a greater contribution has been the enthusiasm and efforts of many of the staff members.

The time-consuming nature of the School Board business combined with professional commitments resulted in the unexpected resignations of our able chairman, Richard Ferrucci, and Richard Howarth. We are fortunate in having Margaret Stanton and Dwight Davenport appointed as their successors.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Mendon-Upton Regional School Committee
and the Citizens of Mendon and Upton:

A year ago it was stated in this report that the Mendon-Upton school system can point with pride to many solid accomplishments and a continuing concern for areas and issues of unresolved problems. The year 1971 has been a year highlighted generally by deep social, economic, and educational concerns. Yet, in spite of this we continue to log in our regional school district many more solid accomplishments as well as a deep commitment to working at our continuing challenges.

The top challenge, as we are all aware, is the matter of double sessions at Nipmuc Regional High School. Resolving this nagging problem means building a new high school, and building a new high school means acquiring an appropriate land site.

The land has been located and has been endorsed by our architect, Korslund, LeNormand and Quann; has been granted water and sewer rights by the town of Upton; and has been approved for building purposes to qualify for state aid by the School Building Assistance Bureau. In Massachusetts the revised state aid formula now provides 100 percent aid for planning (architect's fees to point of bidding), 65 percent of capital costs, and 65 percent of interest. Meetings have been held between architect and department heads, key school officials and the School Building Assistance Bureau. Department heads have visited other high schools recently constructed, they have developed preliminary educational specifications, and these specifications have been presented by Principal Frigard to two joint meetings of the School Committee and Building Committee. Early in 1971 an Advisory Building Committee was named with three members from each town -- Mr. Thomas Hackenson, Mr. Herbert Pickard, and Mr. Richard Childs of Mendon; Mrs. Marjorie McLaughlin, Mr. James Gallagher, and Mr. Jerald Rice of Upton.

In the meantime, official permission of the State Department of Education must be obtained annually to operate Nipmuc Regional High School on double sessions. A condition of this approval is supplying the Commissioner of Education with satisfactory evidence that the

district is making a good faith effort to acquire land, start the new school, and develop a target date for re-establishing a full school day and full school program for all grades, 7 through 12.

In a year marked by greater than usual fiscal concerns, the School Committee twice reviewed the 1971 budget before final adoption on February 1, 1971 in the amount of \$1,269,941.15. Again following the recent November hearing on the 1972 budget, the School Committee gave that document careful scrutiny before adopting a figure of \$1,390,699.00, an increase of 9.5% over 1971 and the lowest percentage increase in five years. The School Committee has voted to continue its annual policy of using available funds as a credit against the budget assessment.

Concerns of the Mendon-Upton Regional School Committee are people-oriented. Staff additions provided in the last three years to meet pupil or curriculum needs include the following:

1. Pupil personnel services department organized to coordinate existing programs and services, and provide the following new staff: elementary counsellor, teacher of children with learning disabilities, speech therapist, junior-high counsellor, counsellor to work with children with health problems.
2. Coordinated library program between 1969 and 1972 with library open five afternoons a week for junior high students for first time. Book acquisition program of 15 books per student in both elementary school libraries is progressing on target.
3. Additional teacher of home economics employed fall 1971, additional teacher of industrial arts to be added fall 1972 — both to make courses in the curriculum regularly available to students who wish to elect them.
4. Continued support for the position of remedial or resource teacher as needed to work with students in grades 7 and 8.
5. Expansion of opportunities for girls in the athletic program by adding another coach to work with three JV teams.

The Mendon-Upton Regional School District continues to attract excellent teachers. More than just level of compensation is the atmosphere of mutual respect which pervades working relations between staff and School Committee.

As we go about the daily task of meeting our responsibilities, we must express a word of thanks to these fine and dedicated members of the teaching staff, to the administrators who lead and plan, and also to the many members of back-up teams who help to make it all possible; the nurses, the librarians, the counsellors, the secretaries, the cafeteria workers, the custodians — these people have combined their talents and dedication to help the 1434 boys and girls of Mendon and Upton through another school year.

Respectfully submitted,

GORDON B. ALLAN
Superintendent of Schools

REPORT OF THE HIGH SCHOOL PRINCIPAL

One of the conditions for continued approval of double sessions for 1971-1972 by the Massachusetts Department of Education was that both morning and afternoon sessions were to be conducted for a minimum of five hours. Compliance with this directive necessitated extending the afternoon session twenty-five minutes, resulting in a dismissal time of 5:20 p.m.

In spite of double sessions, attempts are being made continually to improve the educational offering to the pupils attending the school. Listed below are the most significant additions and changes which have been implemented during the past year:

1. The art program in the afternoon session was extended from five to ten periods per week.
2. The self-contained transitional seventh grade class for pupils who would have had difficulty adjusting to the regular seventh grade program has been eliminated. This year all seventh and eighth graders have been assigned to regular class sections and those who need special help in basic skills leave their regular classes two or three times per week to receive assistance from a resource teacher available for that purpose.
3. A guidance counselor is available for junior high school pupils as a result of the addition to the staff of a combined counselor and system-wide health education coordinator.
4. A speech therapist is available on a limited basis to pupils in grades seven through twelve.
5. In order to make home economics courses available to a greater number of girls in the high school, the home economics room was partitioned into two rooms and a second teacher has been added to that department.

It should be noted here that provisions have been made to add another industrial arts teacher next September in order to expand this department and thus make shop activities available to more boys and

girls, many of whom have had to be denied these experiences during the past few years due to shortage of staff.

Nipmuc Regional High School has been selected to participate in an eighth grade test of basic skills conducted by the Massachusetts Department of Education. This is a testing program similar to the one administered to fourth graders last spring. This testing will have been completed by the time this report is published.

All teachers are participating in an in-service course entitled "Designing Effective Instruction," which is an in-depth study of planning instruction in terms of behavioral objectives.

Department heads and other staff members have also spent considerable time in formulating educational specifications for the proposed new high school.

In 1963 the Nipmuc Regional High School was evaluated and accredited by the New England Association of Colleges and Secondary Schools. One of the conditions of membership in this association is a re-evaluation in ten years, which means that we must be evaluated again before the end of the 1972-1973 school year. The fact that we are and shall be on double sessions in 1973 is practically an assurance that we shall lose accreditation, which, in my opinion, would be very unfortunate. We might be able to receive a waiver of a re-evaluation if we are in a building program at that time.

In closing, I wish to thank all persons and organizations who have assisted in any way during the past year in the operation of the Nipmuc Regional High School.

Respectfully submitted,

WILHO FRIGARD
Principal

REPORT OF THE SUPERVISOR OF ELEMENTARY EDUCATION

A significant step was taken by the Massachusetts State Department of Education in an attempt to assess the quality of education in the state. All Fourth Graders in the state were given the California Test of Basic Skills achievement test. The Mendon-Upton fourth grade classes in most areas were average or above average in skill development. The department of education is in the process of developing goals for education and an assessment policy will be established in order to create good learning environments for all students, hopefully with more financial aid from the state.

The Mendon-Upton Regional School District received a Federal Grant of \$15,000.00 under Title I ESEA (Elementary and Secondary Education Act of 1965) to conduct a reading program for primary school pupils. Classes were held at the Henry P. Clough School in Mendon and the Memorial School in Upton. Sixteen professional people were employed including teachers, a speech therapist, and an evaluator. Our Title I experience and evaluation shows that primary school children respond favorably and with success.

An In-Service Program for our staff was offered in the Identification of Learning Problems. A professional staff from the Worcester Rehabilitation Center conducted the three hour workshop.

The most significant workshop for our staff, which began in the Fall and will end sometime in the Spring, deals with Instructional Systems Development. The entire professional staff from grade 1 through 12 is involved. The purpose of the program is to train the staff to approach education with more specificity, proper assessment, and an educational systems approach for the entire school program.

In order to diagnose and prescribe treatment for pupils with speech and hearing difficulties a full time speech therapist was employed to correct these problems, particularly on the elementary level. The program is operating smoothly and is greatly helping pupils. Also added to our Pupil Personnel Department was a health education coordinator who is responsible for developing programs that will insure a child's

exposure to proper health and living procedures that are so vital for youth today. A fourth day was added to the schedule of the learning consultant. The learning consultant instructs those pupils who may or can be having serious learning problems.

Our library facilities have been steadily expanding in terms of books and audio-visual materials for the pupils and professional staff. The program is backed up by many volunteers without which the program could not be successful. The library is supported with local and federal funds.

The Music and Art Departments are a vital part of our total school program. Pupils have participated in concerts, art contests, and in a few instances have worked jointly to put on effective programs for the general public.

A new report card system has been introduced to our system. The card gives sub-categories of major subjects and more accurately describes where the child needs help.

Our P.T.A.'s again have been generous in supplying us with educational equipment and presenting programs for the children. We are appreciative of their efforts and continued support.

We wish to express to Dr. Ronald Lukert our sincerest appreciation for the many years of dedicated service as physician to our school and continued success in his new challenge.

I wish to express my thanks to the school committee, superintendent, staff, and townspeople for their support to provide the best possible education for our children.

Respectfully submitted,

EDWARD M. SOTER
Supervisor of Elementary Education

REPORT OF THE BLACKSTONE VALLEY VOCATIONAL SCHOOL

The sixth year of operation of the Blackstone Valley Regional Vocational School started in September 1971. There were 85 seniors, 120 juniors, 151 sophomores and 150 freshmen. Of these there were 15 boys from Mendon. The number of boys admitted each year depends entirely on the number of spaces available. The number of applicants last year totalled 370 from all towns and 150 were accepted.

The on-the-job training program continued this year with a good degree of success. The boys were placed in jobs in businesses throughout the area and were paid salaries consistent with the work done. They are still under supervision of the school.

Some of our space is allocated to the Automotive Machinist Program which is independent of the school in this sense. The program is completely funded by the Federal government. It operates 8 hours daily and all year round.

The evening trade extension programs are open to adults over 16 years of age who are not attending school and who can show evidence of contact with the specific trade. Trades such as auto body repair, auto mechanics, metal fabrication, plant maintenance, drafting, graphic arts, plumbing and blueprint reading. A total of 449 persons enrolled in these courses, 12 from Mendon.

There is an amount of \$299,641.41 in the excess and deficiency fund and it is the intention of your representative to suggest that this amount be used to cut down the cost of the 1973 assessment.

The costs of running the school are apportioned according to set ratios. The Mendon ratio is approximately 2.5%. By comparison, Milford, a much larger town, has a 16.7%. The assessment for the school amounts to an amount of \$2,493.00 for debt retirement plus \$15,526.00 for operating costs for a total of \$18,019.00. The cost per pupil is about \$1,200.00.

At the present time the committee is talking about further expansion of the school. There is no doubt that the type of education being offered is a popular one. It is not cheap, but the principle of teaching

these trades to the high school boy seems to make more sense than subjecting him to a series of courses which are completely irrelevant as far as he is concerned and probably less than useless. The schools which are offering inadequate courses of study, which are actually a glorified baby sitting service, have little place in the modern educational scene. The Blackstone Valley Regional Vocational School is showing the way for other schools. Other area schools are up-dating their curriculum and the trend toward vocational education has been given a great push by the evidence of the success of the vocational school of which Mendon is a part.

FINANCE COMMITTEE REPORT

Citizens of Mendon:

For the year 1972 your Finance Committee recommends that the sum of \$883,025.00 be raised and appropriated at the annual town meeting. This includes \$866,425.00 for Article 4 Appropriations and \$16,600.00 for Special Articles. Available and Special Funds amount to \$53,656.00, leaving a balance of \$829,369.00 to be raised by tax levy. This represents an increase of \$91,016.00 over 1971. The major changes are explained under the budget review section of this report.

In accordance with Wage Board Regulations, we are recommending a 5.5% wage increase for the hourly paid and full time Town Employees.

Of the \$5,000.00 Reserve Fund appropriated in 1971 transfers totaled \$3,960.62 and are included in the 1971 expenditures of the departments enumerated below:

Police Cruiser	\$ 120.00
Town Beach Salaries & Wages	160.00
Town Treasurer New Equipment	225.00
Interest on Chapter 90 Loan	189.00
Board of Health Salaries & Wages	890.00
Heat & Lights Town Buildings	375.65
Elections & Registrations Salaries & Wages	42.51
Tax Collector's Expense	50.00
Police Department Expense	186.08
Police Department Salaries & Wages	400.13
Fire Department Expenses	250.00
Fire Department Salaries & Wages	140.00
Taft Library Salaries & Wages	350.00
Town Counsel Expense	570.25
Moderator's Salary	12.00
	<hr/>
	\$3,960.62

We are recommending that for 1972 the reserve fund be set at approximately 2½% of the budget, excluding the regional school assessment. This amounts to \$7,000.00.

BUDGET REVIEW – ARTICLE 4

General Government:

In compliance with action taken under Article 5 of the 1971 Annual Meeting, Fee Accounts have been established for reimbursement of the Town Clerk and Tax Collector for fees paid to the Town Treasury.

Protection of Persons and Property:

For 1972 we are recommending purchase of a second Police Cruiser. This will provide a back up car plus police coverage flexibility. It is expected that the well planned use of two cruisers will result in increased value when traded.

The first full year of the Fire and Police Answering Service accounts for the increase in this budget.

Health and Sanitation:

The increase in the cost of operating the Town Dump is a result of mandatory compliance with state law regarding sanitary landfill.

Highways:

The major budget increase is accounted for by the recommended purchase of a wood chipper and a used truck chassis for use as a sanding truck.

Schools:

The \$47,150.00 increase in Mendon's share of the Regional School budget accounts for 61% of the Article 4 increase. The Committee is concerned at the rapidly increasing cost of education and particularly at the continuing large increase in salaries and wages in the Regional School Budget (9.5% increase in the 1972 Budget). These increases are seriously eroding our ability to pay for future building expansion costs, and if they continue, could cause the Town to lose High School Accreditation.

SPECIAL ARTICLES

Article 5. Hot Top or Type 1 on certain roads – \$10,000.00

We recommend favorable action on this article. The use of Type 1 or Hot Top will eliminate the need of oiling and sanding the roads every three or four years. The roads covered will be Maple St., Main St., Providence St. to George St. and Elm St.

Article 6. Street Lights – \$500.00

We recommend \$500.00 for replacing and installing street lights.

Article 7. Chapter 835 – Police Incentive Pay

We do not recommend acceptance of this Act.

Article 8. Tree Replacement Account – \$95.78

We recommend favorable action on this article.

Article 9. Providence Street Drainage – \$3,750.00

We do not recommend approval of this article. It is not a condition which affects the health and welfare of the community.

Article 10. Fire Alarm System – \$1,000.00

We recommend favorable action on this article. This is a continuing program of improving the protection of persons and property in the Town.

Article 11. Library Floor Refurbishing – \$1,500.00

We recommend favorable action of this article for the amount of \$600.00. This should provide sufficient funds to refinish the library floor.

Article 12. School Crossing Safety Zone – \$3,500.00

We recommend favorable action. This project is eligible for 100% reimbursement from the State.

Article 13. Street Signs – \$1,000.00

We recommend favorable action on this article.

Article 14. To Reduce the Tax Levy

We recommend favorable action on this article.

GLOSSARY OF TERMS USED IN TOWN FINANCE

The following terms are frequently used in the Annual Town Report and at Town Meetings. These definitions are provided in order to give you a better understanding of their meaning:

SURPLUS REVENUE:

This fund, often referred to as “Excess & Deficiency” (E & D) represents the amount by which the Cash, Accounts Receivable and other assets exceed the liabilities and reserves.

AVAILABLE FUNDS:

A fund, often referred to as “Free Cash”, certified annually by the State Bureau of Accounts by deducting from Surplus Revenue all uncollected taxes for prior years and overdrawn accounts. This fund may be used by a vote of the Town Meeting.

RESERVE FUND:

This fund is established by the voters at the annual town meeting and may be composed of the following: (1) an appropriation not exceeding 5% of the preceding year’s tax levy; (2) money appropriated from Overlay Reserve; or (3) both. Transfers from the Reserve Fund are within the exclusive control of the Finance Committee and are for “extraordinary or unforeseen expenditures.”

STABILIZATION FUND:

A special account created to provide a reserve for capital expenditures. Under certain conditions the State will match sums taken from this Fund during the first year only; and in amounts up to a maximum of \$100,000. This Fund reduces the Bonding costs for Mendon.

OVERLAY:

The overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted and avoid fractions when establishing the tax rate.

OVERLAY RESERVE:

This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year. It may be used by vote of the town for

extraordinary or unforeseen expenditures or voted into the Reserve Fund.

ROAD MACHINERY FUND: (An Income Account)

The Town charges for municipally owned equipment used on State (Chapter 81 & 90) reimbursed work. This charge is based upon acceptable rates set by the Mass. D.P.W. and covers such equipment as trucks, backhoes and rollers. The income is then deposited into this account. These funds are later appropriated to the Road Machinery Account.

ROAD MACHINERY ACCOUNT:

This is an Expense Account and is used only for payment of operating and maintenance expenses of highway department equipment.

CHAPTER 90 FUNDS:

These funds are spent for highway construction and maintenance with the cooperation of the town, county and State Department of Public Works. The shares for new construction are: Town 25%; County 25%; and State 50%. Maintenance projects are shared equally, one-third each.
